

VOLUNTEER INITIATIVE

Care Bag's Made With Love is volunteer-based and 100% of donations go to patients in need. Our Care Bag community is vital to ensuring that we meet the growing demand for essential and comfort items for patients in our local hospitals and care facilities.

Thank you for joining our community in packing Dignity Packs containing essential toiletries. Please note the following:

- All items to be packed into an appropriately sized Ziploc bag.
- No specific toiletry brands are required.
- Download the comforting message off our website [here](#).
- Pack on a clean surface, free from pet hair. The health and safety of our recipients is of utmost importance, particularly for patients with weakened immune systems.
- Please free feel to share photos of you and your friends packing Dignity Packs. With your permission, we would like to share these on our social media pages.
- Contact Care Bag's to arrange collection of completed packs.
